

The Ladies Board of Inova Loudoun Hospital

Nurse Appreciation Committee

February 2025, presented March 4, 2025

This is my first time as Chair of the Nurse Appreciation Committee and with the tutelage of the former Chair, Lynn Mauer, I am learning about the committee and what services the committee may provide.

For the month of February, the Committee has not met, though we communicated by email.

We have a meeting with the INOVA Chief Nurse Officer, Ashley Virts and the Director of Professional Practice, Deb Toland in early March to discuss what services INOVA requests of our committee to help in the celebration of the honored nurses.

Nurse Appreciation week is May 5-May 12, 2025.

The Committee has agreed to decorate the History Gift Shop window for that week.

There has been no financial activity for the month of February.

More information to follow.

Respectfully submitted,

Laura S Davis

Chair

Committee Members: Lynn Mauer, Rosy Medina, Lori Luther, Carole Frost, Shirley Stasiowski
