### **TIN Report: LB July Meeting July 1, 2025**

Laura to give Finance report and shop

1. We will be participating in the town of Leesburg's FIRST FRIDAY on August 1st. The theme of the night will be DATE NIGHT. Each couple will pick out an outfit for their date (without them seeing it) to wear to dinner. Couples will then get to draw from a raffle for coupons or gift cards to different restaurants.
2. Bathroom Ceiling Update: Thanks to Debbie Melia who reached out to one of her contractors who VOLUNTEERED their time to fix the ceiling in our bathroom due to a water leak. Lizzie Moon's company came and fixed it for many hours and will continue fixing it in the next week. Lizzie is a local to Leesburg.
3. The TIN committee agreed on a new logo for the shop. It will be making its big debut at the First Friday on August 1st.
4. We will be doing our first CHRISTMAS IN JULY starting tomorrow thanks to Darby and her elves who have been working hard to get things priced for our opening day Wednesday!
- 4.

### **TIN Report: LB July Meeting August 5, 2025**

**Denise to give report for finance and shop**

**1. Date night was a success and a great way for the community to come see the shop when they may not be able to come during the day. We will check to see if September is a good night to do it again.**

**2. New shop logo will be on the front door soon!**

**3. Christmas in July was a fun new idea that was well received by customers. (Most people wanted to know if it was on sale!)**

**4. The shop is switching to black “flocked” hangers for all their mens, women’s, teens, and THE LOOK items. This will eliminate any confusion with volunteers in the back of the shop.**

**5. The hospital will be updating our security cameras and POS in the next three months. Inova will be responsible for viewing footage if we should need them.**

**6. Darby and her pumpkins/elves are currently pricing Halloween, fall, and some of Christmas today and the next week. Come join her at the shop on Mondays and Tuesdays!**

**7. We are continuing to work with Rummage to donate to the ladies wear and other items that can get a better crowd through the sale than the shop. Thank you to Stacey and her team for picking up donations regularly!**
